MEDISKIN FACIALS

MEDISKIN is pharmaceutical grade skincare, with active ingredients that have been developed to deliver target driven results in anti-aging, skin tightening, pigmentation and uneven skin-tone.

BRIGHTENING EXPRESS FACIAL

30min - R620

Refresh your complexion with an on the go facial. This express treatment delivers a deep cleanse, gentle exfoliation, hydrating mask, and moisturiser, while focusing on premature aging and uneven skintone.

DEEP CLEANSE FACIAL

60min - R750

Formulated with the MediSkin Salicylic Collection, this advanced skin purification treatment deeply detoxifies and rebalances the complexion. Active salicylic complexes work to dissolve impurities, regulate excess oil production, and refine enlarged pores while gently exfoliating the skin's surface.

The result is a visibly clearer, smoother, and more balanced complexion, with improved texture and renewed radiance. Ideal for congested, oily, acne-prone, and breakout-affected skin.

CLASSIC BRIGHTENING FACIAL

60min - R950

The Luxury Classic MediSkin Facial is a bespoke, all-round skin health treatment designed to restore balance, vitality, and radiance to the complexion. Using pharmaceutical-grade MediSkin formulations, this facial targets hydration, nourishment, and cellular renewal while supporting the skin's natural barrier and long-term health.

Soothing massage techniques stimulate circulation and lymphatic flow, enhancing cellular renewal while restoring balance, hydration, and vitality. The complexion is left visibly refreshed, refined, and luminous—perfectly balanced and beautifully radiant.

CLASSIC BRIGHTENING & LIFTING FACIAL with Guasha & Facial Cupping

75min - R1200

This indulgent Luxury Classic MediSkin Facial is designed to promote optimal skin health, radiance, and balance using pharmaceutical-grade MediSkin formulations. The treatment begins with a deep yet gentle cleanse and skin refinement to remove impurities and prepare the skin for active infusion.

Specialised gua sha lifting techniques are then performed to stimulate circulation, encourage lymphatic drainage, and gently lift and sculpt the facial contours. This ancient therapy enhances oxygen and nutrient delivery while relieving facial tension and promoting a naturally lifted, rejuvenated appearance.

Customised serums and a targeted treatment mask are applied to deeply hydrate, nourish, and strengthen the skin barrier. The complexion is left visibly smoother, firmer, and luminous, with improved tone, texture, and overall skin vitality.

BOOSTER BRIGHTENING & ANTI-AGEING FACIAL With Medical Ozone

75min - R1350

An advanced, results-driven facial formulated with high-concentration active ingredients to deliver targeted, visible results. The MediSkin BOOST Facial elevates skin radiance by deeply hydrating, nourishing, and revitalising the complexion—ensuring essential nutrients are delivered to every skin cell.

This intensive treatment incorporates medical Ozone therapy, enhancing oxygenation and cellular regeneration to promote plumper, healthier-looking skin. Ozone assists in refining enlarged pores, improving the appearance of scars, and supporting the repair of damaged skin, while boosting overall skin resilience and luminosity.

The result is bright, hydrated, and visibly renewed skin, with improved texture, tone, and vitality.

DR SCHRAMMEK FACIALS

"GREEN PEEL" MADE FROM 8 HERBS FROM AROUND THE WORLD

FRESH UP PEEL 1 hr - R1265

This highly active solution stimulates circulation in the skin to bring a natural glow to the complexion and begin to prevent against environmental and age damage. Your skin will feel supple, firmer and toned.

ENERGY PEEL 1 hr - R1595

The Dr Schrammek Energy Treatment focuses on blood circulation and metabolism in the skin, boosting the natural healing and regeneration process without inducing any peeling. The bespoke solution provides the skin with the energy it needs to renew and gently heal the cells resulting in a reduction of fine lines, pigmentation, uneven skintone and scarring. Your skin will feel energised with a healthy, visible glow.

CLASSIC PEEL 1 hr - R2365

The advanced Green Herbal Peel is ideal for skin susceptible to acne, scarring, and oil build-up as well as pigmentation and fine lines. During the procedure, a powerfully active yet completely natural mixture is massaged into the skin using a firm, manual massage technique to stimulate blood circulation and oxygenate the skin. This technique will induce peeling in the skin 3 to 4 days post-treatment; during this time you can treat the skin with a specialist Dr. Schrammek homecare kit. Your complexion will be left completely renewed, fresh and even.

MELA WHITE TREATMENT 1 hr - R2,150

The Mela White Green Peel® has been formulated to target pigmentation and uneven skin tone. A highly active blend of herbs and natural ingredients has been combined with a lightening solution to stimulate a de-pigmentation process, exfoliate the surface of the skin and gently lighten the skin tone. Incredible results can be seen very quickly with the Mela White Green Peel.

ADVANCED MEDICAL SKIN TREATMENTS

We are Leaders in Medical Aesthetic Treatments and Facials

With advanced expertise, we go beyond basic facials and target the most challenging skin concerns. Moreover, Advanced aesthetics, medical-grade treatments, and results-driven dermal care define our approach. As a result, we deliver real performance and visible results every time.

Ultimately, every treatment delivers long-lasting results for healthier, radiant, and glowing skin. Result-driven advanced facials and aesthetic treatments are performed with the latest products, technologies, and machines in the industry.

ADVANCED VISIA SKIN ANALYSIS COMPLIMENTARY

A VISIA Skin Consultation is an advanced, non-invasive skin analysis that uses high-tech imaging to evaluate your skin's condition in detail. During the consultation, a VISIA machine captures multi-dimensional photos of your face under different lighting modes. These images allow the system to measure and assess key skin concerns such as:

- Wrinkles and fine lines
- Sun damage and UV spots
- Pigmentation and dark spots
- Texture and pore size
- Redness and vascular conditions
- Porphyrins (bacteria trapped in pores)

The results provide a clear, scientific picture of your skin's health, both on the surface and below. From this, your therapist can create a personalized treatment plan with targeted skincare solutions and professional treatments to improve your complexion over time.

CARBOXY CO2 FACIAL 60mins- R1800

Carboxytherapy is fast and effective, as the results are visible after the first Treatment. Brighter, plumper, rejuvenated skin. Carboxytherapy is the key to radiant, drastically tightened & youthful skin. A treatment during which the hypoderm is infused with carbon dioxide, promoting high blood flow to the muscle and fat tissues. Our revolutionary needle-free CO2 Carboxy therapy helps boost the skin's metabolism and natural production of oxygen providing deep-down hydration.

MICRONEEDLING TREATMENT 60mins - R1250
